## DRAFT ALTERNATIVES MEETING

Please join us for the second public meeting of the Killington Connecting Trails Scoping Study. The Town of Killington is working with VHB to develop improvements to bicycle and pedestrian connectivity and safety in the area around several multi-use, off-road trail networks: Gifford Woods trails, Sherburne trails, and trails around Kent Pond.

The Draft Alternatives Meeting is an opportunity to share your comments and concerns about the recommended trail connections along and across VT Route 4 and Route 100 in Killington.
