

Killington Select Board: Charge to Planning Commission

Approved on 6/2/2020

- **Continue the Killington Road Master Planning process.**
- **Recommend amendments to the Town Plan that enable the establishment of state-designated Village Centers and/or New Town Centers with related growth centers and/or TIF (Tax Incremental Financing) District.**
- **Recommend updates to the Zoning Bylaws that better incorporate smart growth, streetscape, complete streets, green stormwater infrastructure (GSI) and low impact development (LID) principles.**
- **Consider establishing a water district and combining sewer districts.**
- **Consider subdivision regulations and establishing Killington as a 10-acre town under Act 250.**
- **Explore other planning and permitting innovations.**
