

FOR IMMEDIATE RELEASE

December 21, 2023

Killington, VT – A Regional Concerns Meeting on the project listed below will be held on Monday, February 12th, beginning at 6:30 PM during the regularly scheduled selectboard meeting at the Killington Public Safety Building at 800 Killington Road in Killington, VT. The meeting will be held by the Vermont Agency of Transportation (VTrans) and Town of Killington.

Bridge replacement project:

- Killington NH CULV(120) – Bridge 28 on US Route 4 over Kent Brook

The selected alternative is a replacement with a new buried structure while maintaining two-way traffic during construction.

The intent of the meeting is to provide an overview of this bridge project to Town Officials, residents, businesses, emergency services and other interested parties. There will be a review of the existing site conditions, proposed work, and overall schedule followed by a question-and-answer period. Representatives from both VTrans and the Town of Killington will be available at the meeting to address public concerns about the project.

An electronic copy of the *Scoping Report* is available online at:
