**5. PC Webpage**

Davis Lewis informed the Board that the Planning Commission and the Planning & Zoning Department webpages have been updated. The Commissioners responded positively to the changes. There was some discussion about creating a google workspace where Commissioners can share information. Davis Lewis indicated she would discuss it with the Town Clerk and Manager. Davis Lewis asked whether Commissioners have a town email address. None of them were aware of this so Davis Lewis indicated that she would discuss it with Clerk / Manager as it makes sense for them to have an email address that separates town business from personal or other business.
